

Jumper J, Brock H, Cook S, Graves C, Wong N. PHYSICAL THERAPY CLINICAL INSTRUCTOR IMPRESSIONS OF STUDENT VIDEO VS PAPER BIOSKETCHES IN THE CLINICAL EDUCATION SETTING. Hardin-Simmons University Department of Physical Therapy, Abilene, TX.

**PURPOSE:** To determine if (1) a video or paper biosketch, and (2) the Gregorc Thinking Style and True Colors Assessments were beneficial to Clinical Instructors (CIs) for individualizing the clinical education experience for student physical therapists (SPTs).
